The Department of Chemistry at National Tsing Hua University (NTHU) invites dedicated and innovative researchers to apply for a faculty position, available at all professorial levels, with a tenure-track option. **This position is set to begin in the Spring semester of 2025.**

Applicants must hold a Ph.D. degree in a relevant field, and postdoctoral experience is highly desirable. We encourage outstanding candidates with research interests spanning all domains of chemistry to apply. The chosen candidate will be responsible for providing high-quality teaching at both undergraduate and graduate levels, as well as developing a unique, high-impact research program. Interested candidates are requested to send the following documents to Ms. Ying-Chieh Chen, Secretary of the Search Committee, via email at [chen@mx.nthu.edu.tw](mailto:chen@mx.nthu.edu.tw):

1. A cover letter outlining your interest in the position
2. Curriculum vitae (including a complete list of publications)
3. PDF files of three representative publications
4. A concise description of future research plans
5. A teaching statement
